DIRECTORS' REVIEW

The directors of your Company are pleased to present un-audited condensed financial statements of the Company for the quarter ended September 30, 2019.

Financial Position at a Glance

A brief financial analysis of the Company for the quarter is summarized below:

Operating Results	July- September 2019	July- September 2018	Increase/ (Decrease)
	Amount in PKR million		
Turnover	13,506	11,225	20.32%
Net Turnover	10,209	8,484	20.33%
Gross Profit	2,970	2,545	16.70%
Gross Profit %	29.09%	30.00%	(91 bps)
Selling & Distribution Costs	1,313	1,269	3.47%
Administrative Expenses	136	124	9.68%
Operating Profit	1,631	1,171	39.28%
Profit After Tax	1,151	801	43.70%
Earnings Per Share - Rupees	20.00	13.91	43.70%

Financial Performance Highlights

Volume gains and selective selling price increases helped the Company to grow its topline by 20.33%. However, the gross profit margin of the Company dropped by 91 bps as the selling price increases did not fully offset the impact of currency devaluation in previous quarters.

The Company continued to support its brands through media and promotional activities. Selling and distribution costs were up primarily due to increase in freight cost. Administrative expenses increased by 9.68% mainly on account of employee related cost and depreciation.

Business Performance Highlights

Sales efforts were challenging due to the new requirement imposed on distributors to collect retailer CNICs and also print the CNIC numbers on invoices. The unorganized sector continued to have unfair advantage as it by-passed this new requirement.

The Company continued to lead in Oral Care, further improving market share in toothpastes.

Palmolive bar soap and shampoo also recorded healthy contribution towards business growth. Bar soap saw a consistent growth in market share during the period.

Future Outlook

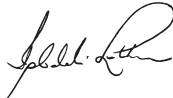

Although Rupee stayed stable against the US\$ during the quarter under review, further depreciation is expected as the year progresses. Rising inflation will also put more pressure on the purchasing power of consumers.

Despite aforesaid challenges, the Company is committed to delivering profitable growth by offering products that provide value for money to consumers in this inflationary period and focusing sharply on cost saving projects.

Acknowledgement

We would like to extend our sincere gratitude to our customers for their trust in our brands. We are thankful to our bankers, shareholders and suppliers for their continued support. We also appreciate our employees for their relentless dedication and immense contribution to the Company.

On behalf of Board of Directors

IQBAL ALI LAKHANI
Chairman

Karachi : October 29, 2019

ZULFIQAR ALI LAKHANI
Chief Executive

ڈائریکٹرز رپورٹ

کمپنی ڈائریکٹرز مسرت کے ساتھ 30 ستمبر 2019 کو اختتام پذیر ہونے والی سہ ماہی کے غیر آڈٹ شدہ مختصر مالیاتی گوشوارے پیش کرتے ہیں۔

مالیاتی صورتحال ایک نظر میں

اس سہ ماہی کے لیے کمپنی کا مختصر مالیاتی جائزہ ذیل کے مطابق ہے:

کاروباری نتائج	جولائی - ستمبر 2018	جولائی - ستمبر 2019	اضافہ / (کمی)
	(روپے ملین میں)		
مجموعی آمدنی	11,225	13,506	20.32%
خالص آمدنی	8,484	10,209	20.33%
مجموعی منافع	2,545	2,970	16.70%
مجموعی منافع %	30.00%	29.09%	(91 بنیادی پوائنٹس)
فروخت اور ترسیل کے اخراجات	1,269	1,313	3.47%
انتظامی اخراجات	124	136	9.68%
آپریٹنگ سے منافع	1,171	1,631	39.28%
بعد از ٹیکس منافع	801	1,151	43.70%
فی شیئر آمدنی (روپے)	13.91	20.00	43.70%

مالیاتی کارکردگی کی جھلکیاں

حجم میں اضافے اور قیمت فروخت میں منتخب اضافے سے کمپنی کو خالص آمدنی 20.33 فیصد تک بڑھانے میں مدد ملی۔ تاہم کمپنی کے مجموعی منافع کی شرح میں 91 بنیادی پوائنٹس کمی آئی، کیونکہ قیمت فروخت میں کیے جانے والے اضافے گزشتہ سہ ماہیوں میں ہونے والی روپے کی قدر میں کمی کے اثرات کو پوری طرح زائل نہ کر سکے۔

کمپنی نے اپنے میڈیا اور پرموشن کی سرگرمیوں کے ذریعے اپنے برانڈ کو سپورٹ کرنے کا سلسلہ جاری رکھا۔ فروخت اور ترسیل کے اخراجات میں اضافہ کی بنیادی وجہ برداری کی لاگت میں اضافہ تھا۔ انتظامی اخراجات میں 9.68 فیصد اضافے کی بنیادی وجہ ملازمین اور ڈیپارٹمنٹس سے متعلق اخراجات ہیں۔

کاروباری کارکردگی کی جھلکیاں

ڈسٹری بیوٹرز پر چون فروشوں سے کمپیوٹرائزڈ شناختی کارڈ جمع کرنے اور اس کے نمبر کو انوائسز پر چھاپنے کی نئی پابندی کی وجہ سے فروخت کی کوششوں میں چیلنجز درپیش رہے۔ غیر منظم شعبے کو غیر منصفانہ فائدہ حاصل ہوتا رہا کیوں کہ اس نے اس نئی پابندی سے بچنے کا متبادل راستہ اختیار کیا۔

کمپنی نے اورل کیئر میں مارکیٹ شیئر کو مزید بہتر بناتے ہوئے اپنا قائدانہ مقام برقرار رکھا۔

پامولیو بارسوپ اور شیپونے بھی کاروباری نمویں صحت مندانہ حصہ شامل کیا۔ زیر جائزہ مدت میں بارسوپ کے مارکیٹ شیئر میں مستقل اضافہ دیکھنے میں آیا۔

مستقبل کی توقعات

اگرچہ زیر جائزہ مدت کے دوران روپیہ امریکی ڈالر کے مقابلہ میں مستحکم رہا، لیکن سال کے گزرنے کے ساتھ ساتھ مزید تخفیف متوقع ہے۔ برہنہ ہوتی ہوئی افراط زر سے صارفین کی قوت خرید پر بھی مزید دباؤ آئے گا۔

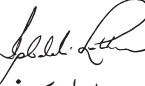

مذکورہ بالا چیلنجز کے باوجود، کمپنی افراط زر کے اس دور میں صارفین کو قیمت کا بہترین بدل مہیا کرنے والی مصنوعات پیش کرنے اور لاگت میں بچت کے منصوبوں پر گہری توجہ مرکوز کر کے منافع بخش نمویں فراہمی کا عزم رکھتی ہے۔

اظہار تشکر

ہم اپنے صارفین کے انتہائی مشکور ہیں کہ انھوں نے ہمارے برانڈز پر اپنا اعتماد برقرار رکھا۔ ہم اپنے مینکوز، ہینڈلز اور سپلائرز کی مسلسل معاونت پر انکے شکر گزار ہیں۔ ہم اپنے ملازمین کی انتھک لگن اور قابل قدر کردار کی تعریف کرتے ہیں۔

NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS (Unaudited - Note 2)

For the Quarter ended September 30, 2019

1. THE COMPANY AND ITS OPERATIONS

Colgate-Palmolive (Pakistan) Limited ("the Company") was initially incorporated in Pakistan on December 5, 1977 as a public limited Company with the name of National Detergents Limited. The name of the Company was changed to Colgate- Palmolive (Pakistan) Limited on March 28, 1990 when the Company entered into a Participation Agreement with Colgate-Palmolive Company, USA. The Company is listed on the Pakistan Stock Exchange. The registered office of the Company is situated at Lakson Square, Building No.2, Sarwar Shaheed Road, Karachi.

The Company is mainly engaged in the manufacture and sale of detergents, personal care and other related products.

2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance

These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting which comprise of International Accounting Standard (IAS) 34 'Interim Financial Reporting' issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017 (the Act) and provisions of and directives issued under the Act.

Where the provisions of and directives issued under the Act differ with the requirements of IAS 34, the provision of and directives issued under the Act have been followed.

2.2 These condensed interim financial statements do not include all the information and disclosures required in an annual audited financial statements, and should be read in conjunction with the Company's annual audited financial statements for the year ended June 30, 2019.

2.3 These condensed interim financial statements comprise of the condensed interim statement of financial position as at September 30, 2019 and the condensed interim statement of profit or loss and other comprehensive income, the condensed interim statement of changes in equity, the condensed interim statement of cash flows and notes thereto for the three months period then ended.

2.4 The comparative condensed statement of financial position, presented in these condensed interim financial statements as at June 30, 2019 has been extracted from the annual audited financial statements of the Company for the year ended June 30, 2019 whereas the comparative condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flow together with the notes thereto for the period ended September 30, 2018 have been extracted from the condensed interim financial statements of the Company for the three months period then ended.

2.5 New standards, amendments to approved accounting standards and interpretations that are effective

There are certain new standards, interpretations and amendments to approved accounting standards which are mandatory for accounting periods beginning on or after July 1, 2019 but are considered not to be relevant or have any significant effect on the Company's financial reporting, except as mentioned below:

IFRS 16 'Leases' - replaces existing leasing guidance, including IAS 17 'Leases' , IFRIC 4 'Determining whether an Arrangement contains a Lease' , SIC-15 'Operating Leases- Incentives' and SIC-27 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'. It results in almost all leases being recognised on the statement of financial position, as the distinction between operating and finance leases is removed. Under IFRS 16, a new concept of right to use leased item is introduced requiring recognition of right of use asset and a financial liability to pay rentals. The only exceptions are short-term and low-value leases.

The Company applied IFRS 16 using simplified approach and recognised right of use assets and corresponding lease liabilities in relation to leases which had previously been classified as 'operating lease'. Right of use assets amounting to Rs 354.574 million were measured at the amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the statement of financial position as at June 30, 2019. Corresponding lease liabilities amounting to Rs 354.726 million were measured at the present value of the remaining lease payments, discounted using the Company's incremental borrowing rate as of July 01, 2019. The weighted average incremental borrowing rate applied to the lease liabilities was 15.60%. Right of use assets and corresponding liabilities are not recognized in respect of leases having remaining lease term of 12 months or less as of July 01, 2019.

2.6 New standards and amendments to approved accounting standards that are not yet effective

There are certain new standards and amendments to approved accounting standards that will be mandatory for accounting periods beginning on or after July 1, 2020 but are considered not to be relevant or have any significant effect on the Company's financial reporting.

2.7 The accounting policies and the methods of computation adopted in the preparation of these condensed interim financial statements are same as those applied in the preparation of the financial statements for the year ended June 30,2019 except for those specified in note 2.5.

3. SIGNIFICANT ACCOUNTING ESTIMATES , JUDGEMENTS AND FINANCIAL RISK MANAGEMENT

The preparation of these condensed interim financial statements in conformity with the approved accounting standards as applicable in Pakistan for interim reporting requires management to make estimates, assumptions and use judgments that affect the application of policies and reported amounts of assets and liabilities and income and expenses. Estimates, assumptions and judgments are continually evaluated and are based on the historical experience and other factors, including reasonable expectations of future events. Revision to accounting estimates are recognised prospectively commencing from the period of revision.

Judgements and estimates made by the management in the preparation of these condensed interim financial statements are same as those applied to financial statements as at and for the year ended June 30, 2019.

The Company's financial risk management objectives and policies are consistent with those disclosed in the financial statements as at and for the year ended June 30, 2019.
